**TEEN ISRAEL EXPERIENCE**

- Are you in 11th grade in your congregational Religious School?
- Have you worked with your school on community service projects?
- Would you like to enhance your studies and enrich your life by participating in an exciting trip to Israel?

**If the answer to these questions is "YES", you may qualify for a Jewish community subsidy that will pay up to 80% of the cost of a qualifying trip to Israel!**

The Oregon Board of Rabbis administers the Teen Israel Experience Program for students who meet Board-established standards of eligibility. **Please see your Rabbi for further details and registration information.**

The Teen Israel Experience Program is made possible by generous grants from the Arthur Krichevsky Fund of the Oregon Jewish Community Foundation, and from the Jewish Federation of Greater Portland.

"I am writing to thank you for your generous support which enabled me to go to Israel this summer and have one of the most amazing experiences of my life."

"I absolutely loved every minute of my trip! My trip was fantastic; I had the time of my life...the funding is very well worth it, because everyone I know had a great experience and learned so much more than they thought they would."
